

AGM May 2017

Date: Tuesday 2nd May 2017
Present: Peter Madill (General Supporting Trustee), Jenny Mace (Chair/Secretary)
Absent: None

There were no items to be discussed other than reviewing the Animal Yoga Annual Financial Report 2016-17. All members of the management committee were pleased that Animal Yoga has generated quite a hearty income – both for sustaining the initiative and for giving to the chosen animal charities. All members look forward to the activities for the year ahead as detailed in the Annual Report. Noted is the increase of activity stemming from the blossoming wider AY teaching community rather than the central body – exactly the intention (although, simultaneously, additional temporary time constraints on the management committee are noted).

No changes to the committee or constitution for the year ahead.

Next AGM – Wednesday 2nd May 2018.
