

## AGM April 2018

Date: 6<sup>th</sup> April 2018  
Present: Peter Madill (General Supporting Trustee), Jenny Mace (Chair/Secretary)  
Absent: None

There were no items to be discussed other than reviewing the Animalia Asana® Annual Financial Report 2017-18. All members of the management committee were pleased that Animalia Asana® has equalled the preceding year in terms of funds raised, despite a greater focus on non-fundraising activities.

All members look forward to the activities for the year ahead as detailed in the Annual Report. Noted is the increase of activity stemming from the blossoming wider AA teaching community rather than the central body – exactly the intention (although, simultaneously, additional temporary time constraints on the management committee are noted).

No changes to the committee or constitution for the year ahead.

Next AGM – April 2019.
